INTRODUCTION

The Roster of State and Local Officials is published solely for the convenience of schools, firms, and individuals interested in the personnel of Indiana government.

No effort is made to list either departments or officials in the order of their importance as this Division feels wholly incompetent to pass upon such ranking.

It is most difficult to keep the Roster current especially in view of the fact that nearly 4,000 separate listings are included herein. Any changes or corrections which readers may bring to our attention will be greatly appreciated.

Free copies of the Roster may be obtained by addressing the Statistician, State Board of Accounts, Indianapolis, Ind.

PRESSLY S. SIKES,
Statistician.
